

Course: Accounting 11

Course Format: Online

Credits: 4

Description: Accounting 11 is designed to be an introductory accounting course. It is assumed that the student has no basic accounting skills. This course is for students who want to learn how to manage their money and budgets, or are exploring the idea of an accounting career, or are interested in acquiring the accounting basics for managing a small business. In this course students will learn the fundamentals of accounting, and the creation of key accounting documents.

Prerequisite: None

Resources: All the resources that are required for the course are contained in the course.
