

Course: Composition 10

Course Format: Online

Course Credits: 2

Description: Composition 10 is designed for students who have an interest in developing their skills in written communication in a variety of contexts. The course provides students with opportunities to think critically as they explore, extend, and refine their writing. They will develop their craft through processes of drafting, reflecting, and revising to build a body of work that demonstrates the breadth, depth, and evidence of writing for a range of situations. The course provides opportunities for diverse learners to be supported in developing and refining their writing abilities.

Prerequisites: English 9

Resources: Online readings and resources
