

Course: English 9

Course Format: Online

Description: In English 9 you will,

- read a host of adventure stories,
- learn about the genre of epistolary narratives, otherwise known as "stories told through letters",
- complete a novel study unit about a futuristic tale of cyber-espionage,
- learn about graphic novels and other tales told with the help of pictures,
- choose a novel of your own to read and then tell some tales yourself about what you learned,
- improve your writing skills through letter writing, paragraphs and poetry.

Recommended Prerequisite: English 8

Resources: Online readings and resources
