

Course: Introductory Punjabi 11

Course Format: Online

Credits: 4

Description: Introductory Punjabi 11 is an introductory level course introducing students to the Punjabi alphabet (Gurmukhi Script). Along with the alphabet, students will learn about the different vowel symbols and modifying symbols and will eventually develop the ability to read and write simple Punjabi passages. There will also be an opportunity to learn about cultural perspectives, traditions and attitudes.

Prerequisites: None

Resource: Online course materials and Textbooks. A refundable deposit of \$75 will be required for the textbooks.
