Learning without limits...

Surrey Academy of Innovative Learning (SAIL) is a blended interdisciplinary school where students learn through inquiry and project based learning using a variety of digital tools in a Makerspace environment.

SAIL'S PROGRAMS:

**STEAM** Science, Technology, Engineering, Art & Mathematics

– offers a special focus on creating, inventing, and tinkering through a MakerSpace environment - a creative synergy of tools and projects at all levels of expertise.

**STEAMX** for Highly Motivated Students

– offers an accelerated program to allow for early university entrance.
