The ZOOM link will be made available on our website on January 19th

Tomorrow's school today!

Please join us for a brief session presented to you by our Principal Mr. Hayes and Acting Vice Principal/Counsellor Mr. Sturn where they will present an overview of our programs and give you detailed information about our registration process for the 2021/22 school year.

STEAM 8-10 Science, Technology, Engineering, Arts & Mathematics

– offers a 3 year program with a special focus on creating, inventing, and tinkering through a MakerSpace environment - a creative synergy of tools and projects at all levels of expertise.

STEAMX Year 1 & 2 accelerated program

– offers an accelerated program to complete grades 8-10 in two years.

COMPASS our full time online program

– combines 1-3 days on-site instruction with individualized supported online learning; the program with its flexible scheduling and personalized learning model is ideal for elite athletes and performing artists.

Learning without limits...

Surrey Academy of Innovative Learning (SAIL) is a blended interdisciplinary school where students learn through inquiry and project based learning using a variety of digital tools in a **Makerspace** environment.
