

This program is funded by the Surrey Fire Fighters' Charitable Society, which is wholly operated by Surrey Fire Fighters' Association Local 1271 of the International Association of Fire Fighters.

Within the Surrey Fire Fighter's bursary program, Mike Starchuk, retired Fire Fighter and Current MLA for Surrey-Cloverdale sponsors three bursaries for students in the Cloverdale community.

One of the most important factors which will determine whether or not your application is successful is the extent of your community involvement. Surrey fire fighters volunteer thousands of hours annually to the community through a variety of fundraising efforts and community service.

The time given by an individual is priceless. This bursary is our way of recognizing and rewarding students that contribute to the community. Without you, there would be a loss. Surrey fire fighters thank you.

Over the last 10 years the Surrey fire fighters have contributed over \$2.2M to the Surrey Fire Fighters' Charitable Society. If you would like to join the fire fighters in their effort to support the community or if you would like more information on a tax deductible donation inquire to: (604) 574-5785 or write to:

COVERING LETTER

You'll need to include a one-page cover letter for your application to be considered. Use this letter to introduce yourself and briefly describe your community involvement. Take the time to make it personal. We'd like to know about you, your hobbies, athletic and academic interests.

REFERENCE LETTERS

Your application must include at least two letters of reference from people who know you but are not family. Someone who can prove your community involvement is the best reference. A Surrey fire fighter is also a good reference. All letters must be from an adult.

APPLICATION

Each application will only be considered once. Your application must be complete. **THE DEADLINE FOR RECEIVING APPLICATIONS IS MAY 1.**

RESUMÉ

It should be comprehensive and detail everything you do for your community. Do you help seniors with their heavy house chores, or help coach a youth sports team? Are you a big brother/sister? Perhaps you help out at the food bank, the hospital, or any one of a number of groups that could use your help.
