

Course: Entrepreneurship 12

Course Format: Online

Credits: 4

Course Exams: No invigilated exams, some quizzes within the modules.

The Entrepreneurship 12 course is an integral component of the Business Education program in the BC Curriculum. The course is designed to provide a comprehensive introduction to the principles of entrepreneurship, with a particular focus on enabling students to develop and enhance their skills in this area. This course offers a unique opportunity to cultivate positive life skills, innovative thinking, and profitability.

Entrepreneurship refers to the process of creating a new enterprise and bearing any associated risks with the aim of generating profit. It involves identifying investment and production opportunities, as well as developing and managing a successful business venture. The Entrepreneurship 12 course can pave the way for students' future success by equipping them with an entrepreneurial mindset.

The course is primarily project-based and is structured as follows:

Course Layout	Topic
Unit 1	Vision and Goals
Unit 2	Society and Ethics
Unit 3	Opportunity
Unit 4	Problem Solving
Unit 5	Business Plans
Unit 6	Final Project

Prerequisite: None

Resources: All the resources that are required for the course are contained in the course.
