

Dear Compass 12 Students,

If you are on track to graduate by the end of June or August 2022, we warmly invite you and 4 family members to attend our **in-person Celebration of Learning and Graduation Ceremony** on **Wednesday, June 28nd at 6:00 pm**. This event will feature our Graduates, departing Academy students as well as our award winners.

Please note:

Participating in the SAIL Year End Celebration **does not finalize your high school graduation**. Graduation is finalized when you have completed all your graduation requirements, and these have been confirmed by the Ministry of Education.

If you have any questions about your current graduation status, please contact our counsellor Mr. Sturn at sturn_dana@surreyschools.ca.

If you would like to attend the Celebration of Learning and Graduation, please forward me a recent **photo** of yourself/graduation photo (jpeg format) **and** complete the following **survey** by no later than **Friday, May 26th**: <https://forms.office.com/r/chS0HvZxrw>

Please see below samples of Graduation Write-up to be included in your survey:

GRADUATION WRITE-UP

Please include a few sentences about yourself that will be read for you during the Ceremony. These could include tokens of appreciation to those who have helped you on your journey through school, highlights of your time at SAIL, as well as your plans for next year and career goals. Here are a few samples to help you:

***Example #1:** Joe arrived at SAIL only two years ago and appreciated how welcoming everyone made him feel. He would like to thank his friends Mac and Jay for the weekly treats at Starbucks and his parents and sister for always pushing him to do his best. Joe will be attending the Faculty of Science at the University of Victoria in September before transferring to UBC's Faculty of Dentistry.*

***Example #2:** Holli has been at SAIL since Grade 8 and has appreciated the flexibility it provided her. She was able to tailor her education in a way that best suited her needs. She would like to thank all her SAIL teachers for the support they provided over the past few years. She will be attending KPU Langley for nursing.*

Please email me at enns_m@surreyschools.ca if you have any questions going forward. We hope to see you on the 28th!
